

I SUPPORT SB 1388 BY SENATOR JEFF WENTWORTH

My name is _____.

I'm a private process server certified by the Texas Supreme Court Order, # _____.

My address is: _____

Street _____

City _____

State: _____

Zip _____

I have been certified by the Supreme Court since _____, and have been serving process in Texas since _____.

It is my belief that the Supreme Court statewide certification works extremely well as it helps to ensure professional, quality and thorough service of process throughout the State of Texas by trained and qualified individuals. Therefore, I feel it is important that the Supreme Court Certification process not be changed.

Service of process is a vital aspect of the judicial branch, as such, the supervision and oversight of process servers is critical to the integrity of the judicial process.

I **support** SB 1388 by Senator Wentworth and feel that this bill would have a positive impact on the process serving profession in Texas.

I vote for SB 1388.

Thank you for considering my comments.
